Certificate of Work Record

To whom it may concern,

This is to certify that **Mr. Mostafa Hazrati**, born in 1985, has worked in the Technical Department for the period from Aug. 27, 2011 to May 09, 2013 as an engineer on a full-time basis.

He was also involved in various projects. His tasks were as follows:

1. Creation and maintenance of electrical circuit schematics with E-Plan according to IEC standards.
2. comparison of the cabling with cable plans in EPLAN Electric and their correction.
3. programming of microcontrollers
4. Modeling and control of electric and pneumatic motors with Simulink.
5. Data analysis with MATLAB.

Management and other departments were fully satisfied with his performance and we would like him to come back after graduation to continue his cooperation with our company.

Best regards,

Rouhollah Amini
